# ADAHOME ATELIER

**TR** Adahome Atelier, yaşam alanlarını sadece güzelleştirmekle kalmaz; onlara ruh kazandırır. Her oda kokusu, kolonya, sprey ve mum, bir duygunun, bir hatıranın ve zarafetin yansımasıdır. Koleksiyonumuz, doğanın dengeli uyumundan ilham alır; odunsu notaların sıcaklığı evinize dinginlik taşıırken, tatlı aromalar huzur ve yumuşak bir samimiyet hissi yaratır. Magnolia ve fresh kokular ise ferahlığın ve zarafetin simgesidir.

Her ürün, yaşamın küçük ama özel anlarını hatırlatmak için özenle hazırlanmıştır. Sabah kahvenizin yanında, kitap okurken ya da sevdiklerinizle geçirdiğiniz zamanlarda Adahome Atelier kokuları, evinize sıcaklık ve karakter katar. Adahome Atelier, evinizin atmosferini dönüştürürken, her kokuda kendinizden bir parça bulmanızı sağlar. Her koku bir hikâyeye anlatır ve bu hikâyenin adı Adahome Atelier'dir.

**EN** Adahome Atelier does more than beautify living spaces; it gives them soul. Each room fragrance, whether in a cologne, spray, or candle, reflects a feeling, a memory, and a touch of elegance. Inspired by the balanced harmony of nature, our collection brings the warmth of woody notes to your home, the gentle comfort of sweet aromas, and the freshness and grace of Magnolia and fresh scents. Every product is crafted to remind you of life's small yet special moments. Whether you enjoy it with your morning coffee, while reading a book, or during time with loved ones, Adahome Atelier fragrances add warmth and character to your home. Adahome Atelier transforms your space, allowing you to find a piece of yourself in every scent. Every fragrance tells a story, and that story is called Adahome Atelier.

**RU** Adahome Atelier делает больше, чем просто украшает пространство; оно наполняет его душой. Каждый аромат для комнаты – будь то в виде одеколona, спрея или свечи – отражает чувство, воспоминание и нотку элегантности. Вдохновленная гармонией природы, наша коллекция приносит в ваш дом тепло древесных нот, нежный уют сладких ароматов и свежесть и грацию Magnolia и свежих ароматов.

Каждый продукт создан, чтобы напоминать о маленьких, но особенных моментах жизни. С утра за чашкой кофе, во время чтения книги или в кругу близких — ароматы Adahome Atelier добавляют вашему дому теплоту и характер. Adahome Atelier преобразует атмосферу вашего дома, позволяя вам находить частичку себя в каждом аромате. Каждый аромат рассказывает историю, и эта история называется Adahome Atelier.

## CATALOGUE

As another marketing product, we have 2 units of concept catalogues which are Adahome and Veranda. In these catalogues; we created aesthetic living spaces by combining curtains, poufs, wallpapers and cushions. After you review these two catalogues, you can purchase them to use as a marketing instrument for your store. You can check these catalogues from this link; <https://youtu.be/c7Y71YN130Y>

## WOOD DISPLAY STAND WITH LED LIGHT

If you would like to retail our products in your present store or in a new store you are planning to open, we can cooperate. In your store, we can create an AdaWall Corner. We can briefly describe this process as follows; We have display stands and furniture to exhibit our products. After we agree on the location and the size of the AdaWall Corner in your store (15-30 m<sup>2</sup>), we adapt our display concepts to that space. Afterward, our furnishing department will produce furniture and display units in our factory and later on, we are going to ship all disassembled wood displays to their new home!

## Be Our Franchise!

A franchise provides you with a proven business format to follow. The entity from which you get the franchise, known as the franchisor, provides you with operational procedures and marketing strategies that have been successful for other units. Franchisors provide the training you need to operate their business model. Franchises have a higher rate of success than start-up businesses. A franchise relationship could be described as business cooperation in which both companies work in close collaboration supporting each other but at the same time legally and financially independent.

### Why You Should Be Our Franchise?

As AdaHome & AdaWall, we are one of the biggest companies in Turkey in terms of the number of designs, production capacity, quality and innovation in our fields. The elements factors that distinguish us from others; each product that we create has a unique design and great quality besides, we have a very wide product range that you can combine each product to create harmony in living spaces. You can create mesmerizing atmospheres and concept spaces by combining our wallpapers, curtains, upholstery, cushions, poufs, table clothes, folding chaise lounges...

Moreover, Ada takes place in the sector with all the international quality and management certifications. It has a unique design approach, advanced production technology, ready stock, fast shipments, world-class packaging shipments, and understanding to provide after-sales customer satisfaction in the real sense.

### How Does The Franchise Process Work?

AdaWall & AdaHome franchising collaborations have standard decoration themes. We are styling each Ada shop with our concept themes. We have display stands and furniture to exhibit our products. We can briefly describe this process as follows; after we agree on the location and the size of the store, we adapt our display concepts to that store. Our team makes all the technical and architectural drawings. Afterward, our furnishing department will produce furniture and display units in our factory. Later on, we load all furniture and displays into the container or truck and ship it to its new home! Alongside the products, 2-3 of our teammates accompany you for the installation of all furniture and displays.

Franchising is a team effort, we know that for our brand to maintain a solid reputation, it's important to ensure that all of their franchise stores operate according to a certain standard. We have field support representatives that help franchisees obtain training beyond operational, technical, and financial aspects to run the business. This might include how to hire and manage employees as well as how to build community relationships. We are here to not only help you fix rookie mistakes but to avoid them altogether. After all, your success is our success.

### Investment to Be Our Franchise

We are making all display units ourselves. This provides us, lower cost, standardization on quality, and fast finishing. We are very experienced in decorating a store. Not only giving a franchise store but also we have our own 5 stores in 3 different countries. We know, what you need, want, and think. To give an idea; 1 store's decoration is completed at a cost of 200-400 USD per square meter. For example; the total decoration cost of a 100 square meter store is approximately 20.000-40.000 USD.

Your store is ready, but what about the products? All of our products will be displayed on themed decors that fit the store. The number of products will vary depending on the square meter of the store and storage too. Accordingly your region needs and tastes, you can choose whatever you want from our many collections of AdaHome and AdaWall and offer them for sale in your store. To give an idea; A store's all products is completed at a cost of 200-600 USD per square meter. For example; the total products cost of a 100 square meter store is approximately 20.000-60.000 USD.

In summary; you can be a franchise store by investing between 40.000 and 100.000 USD in total, including store decor and products.

## Be Our Pop-up Shop!

A pop-up shop is a temporary store that acts as an innovative, intimate brick-and-mortar store. By merging intimate brand shopping experiences with innovative digital features and touchpoints, the pop-up shop will help you boost brand awareness, increase engagement, and strengthen customer loyalty. Approached the right way, the pop-up is a real winning combination because this business model is financially less risky than starting a store. Pop-up shops allow you to meet your current customers where they live and put your brand in front of new shoppers. It's also a direct way to encourage sales without pouring more money into online customer acquisition. A pop-up can look like a regular store, but many brands use them to create a unique, engaging physical shopping experience.
